LPS400 Portable Shipping Scale

Features

LPS400 scales are particularly suited to shipping and warehouse applications and general purpose weighing. These are very affordable scales with high accuracy.

A large, simple to read display can be wall or stand mounted for easy visibility (wall and desk bracket included).

The indicator cable is a coil style for durability and easy extension.

The LPS400 features RS-232 interface that can transmit and receive using a demand type protocol.

Scale comes standard with NCI protocol and interfaces to most common shipping software, including UPS™ Worldship Online.

A durable low profile platform allows for easy weighing. The LPS400 is a low cost yet versatile and portable scale.

- Application – Shipping/Receiving
– Mailroom
– Manifest Systems
– General Purpose Weighing
