

NEW RoughDeck® HP

Forklift SENDit Portability Frames, Non-NTEP

Scale is sold separately

Standard Features

- Wireless connection from scale to operator display
- Works with any basic digital weight indicator
- Excitation to load cell(s) provided by the transmitter, not the indicator
- Each transmitter/receiver set is individually paired and will not interfere with another set
- Auto-off mode: Selectable for 15, 30, 45, 60 minutes or off
- Auto-sleep mode: Power down during non-use, power up with weight change or key press
